## THE LIST OF AUTHORS

---

---

- Alehin S. Yu. The Head of department OAO «Концерн «Созвездие».
- Altukhov A.V. Post-graduate student Department of Mathematical Methods of Operational Research, the Faculty of Applied Mathematics Informatics and Mechanics, Voronezh State University
- Baeva N.B. Candidate of Economic Sciences, Associate Professor, the dept. of the Mathematical Methods of Operation Research , Voronezh State University
- Beresovskaya O.A. Graduate, the dept. of the Software and Information System Administration, Voronezh State University
- Berkolajko M.Z. Doctor of physics-math. Sciences, Professor, Voronezh State University
- Birjuk N.D. Doctor of physics-math. Sciences, Professor, Voronezh State University
- Bogatyrev A. M. Student, the dept. of the Software and Information System Administration, Voronezh State University.
- Budko V. N. к.ф.-м.н, доцент кафедры информационных систем ВГУ
- Choporov O. N. д.т.н., проф., зав. кафедрой Технологических и автоматизированных систем электронного машиностроения ВГТУ
- Dolbilova E. V. Associate Professor , the dept. of the Romano-Germanic Philology, Voronezh State University
- Fertikov V.V. Candidate of physics-math. Sciences, Associate Professor, the dept. of the Information Systems, Voronezh State University.
- Flegel A.V. Candidate of physics-math. Sciences, Associate Professor, the dept. of the Digital technologies, Voronezh State University
- Golub V.A. Candidate of Technical Sciences , Associate Professor, the dept. of Cybernetics and Automatic Control, Voronezh State University
- Golovinsky P.A. Doctor of physics-math. Sciences, Professor, The physics dept., Voronezh State Architecture and Construction University
- Ivanova K.G. Post-graduate student, Department of Finance and credit, Voronezh State University
- Karelin K.N. Candidate of physics-math. Sciences, Associate Professor, the dept. of the Digital technologies, Voronezh State University
- Kashirina I.L. Candidate of Technical Sciences, Associate Professor, the dept. of the Mathematical Methods of Operation Research , Voronezh State University
- Kopytin A.V. Candidate of physics-math. Sciences, Associate Professor, the dept. of the Programming and Information Technologies, Voronezh State University.
- Kosinov D. I. Post-graduate student Department of Programming and Information Technologies, Voronezh State University.
- Kretov A.A. Doctor of Philology Sciences, Professor, the Head of the dept. of Theoretical and Applied Linguistics , Voronezh State University
- Kurkin E.V. Post-graduate student, the dept. of the Mathematical Methods of Operation Research , Voronezh State University
- Mikhailova E.E. Candidate of physics-math. Sciences, Associate Professor, the dept. of the Software and Information System Administration, Voronezh State University.
- Nechaev Yu.B. Doctor of physics-math. Sciences, Professor, the dept. of the Information Systems, Voronezh State University
- Ogarkova N.V. Assistant, of the dept. of the Software and Information System Administration, Voronezh State University
- Ovchinnikova M.V. Senior scientific worker OAO «Воронежэнерго».
- Ponomarenko M.A. Federal state establishment”Federal State research experimental center of radio-electronic fight and noticeability reduction efficiency assessment of the Defense Ministry of the Russian Federation”
- Semyonov S. N. Candidate of med. Sciences, Associate Professor, , Voronezh State Medical Academy
- Sergeev D.N. Post-Graduate Student , the dept. of the Information Systems, Voronezh State University
- Shashkin A.I. Doctor of physics-math. Sciences, Professor, Voronezh State University
- Shiryaev M.M. Post-Graduate Student , Voronezh State University
- Sirota A.A. Doctor of Technic Sciences, Professor, the dept. of the Information Systems, Voronezh State University

*THE LIST OF AUTHORS*

- Soloduhin A.S. Omsky Voronezh State Technical University.  
Solomatin A.I. Post-graduate student Department of Programming and Information Technologies, Voronezh State University.  
Solomatin D.I. Assistant, of the dept. of the Programming and Information Technologies, Voronezh State University.  
Tolstobrov A.P. Candidate of Technical Sciences, Associate Professor, the dept. of the Information Systems, Voronezh State University.  
Tuboltsev M. F. Candidate of Technical Sciences, Associate Professor, the dept. of Mathematics and software of the Information System, Belgorod State University  
Tukachev N.A. Candidate of physics-math. Sciences, Associate Professor, the Head of the dept. of Programming and Information Technologies, Voronezh State University.  
Voronina I.Ye. Candidate of Technical Sciences, Associate Professor, the dept. of the Software and Information System Administration, Voronezh State University  
Yarmoshevitch E.I. Federal state establishment”Federal State research experimental center of radio-electronic fight and noticeability reduction efficiency assessment of the Defiance Ministry of the Russian Federation”
