

STATE SUPPORT OF THE CITIZENS, VICTIMS OF CHERNOBYL NPS DISASTER

A. A. Harahashyan, N. I. Gavrilina, T. I. Kabakova

There was given the description of state actions on support of the victims of Chernobyl NPS disaster. There were described the questions of providing guaranteed medicinal aid for such people, living in Rostov region. In 2005 the patients were getting medicinal substances (MS) from 27 pharmacotherapeutic groups. The average cost of one MS by free prescription was 272 roubles.
