

**REACTIONS OF 2,4,6-TREAMINOPTRIMIDINE TO
N-ARYLMALEINIMIDES. THE SYNTESIS
OF CONDENSED DIAMINOPYRIMIDINES**

*P. S. Romanov, V. V. Petrov, M. U. Krysin,
A. V. Zorina, Kh. S. Shikhaliev*

A new method proposed for the synthesis of condensed diaminopyrimidines on a base of additions of triaminopyrimidine to N-arylmaleinimides structure of compounds obtained investigated by NMR.
