

## **4,4,6-TRIMETHYL-1,2-DIHYDRO-4HPYRROLO- [3,2,1-IJ]QUINOLINE-1,2-DIONES AND THEIR DERIVATIVE IN REACTIONS OXIDATION**

*S.M. Medvedeva, L.F. Ponomareva*

It is established, that oxidation 8-R-4,4,6-trimethyl-1,2-dihydro-4H-pyrrolo[3,2,1-ij]quinoline-1,2-diones and 8-R-4,4,6-trimethyl-1-R'-imino-1,2-dihydro-4H-pyrrolo[3,2,1-ij]quinoline-1,2-diones by hydrogen peroxide at base condition results in formation of 6-R-2,2,4-trimethyl-1,2-dihydroquinoline-8-carboxylic acid.
