

## **TRENDS AND PROSPECT OF SMALL-SCALE BUSINESS DEVELOPMENT IN VORONEZH REGION**

*Y.I. Treshchevskiy, N.Y. Treshchevskaya*

Small-scale business is one of developed segment of economy in Voronezh area. Its turnover exceeds the corresponding indicator on a circle of the average and large enterprises. At the same time small business development is very contradictory in the view of territorial and branch structure and for sure can not be without active and well founded support of state government.
