

"WORD-FOR-WORD" AND "SENSE-FOR-SENSE" TRANSLATION AS THE MAIN TRANSLATION OPPOSITION

E. V. Garusova

The article discusses two main translation tendencies: "word-for-word translation" and "sense-for-sense translation"; in which epoch this or that tendency prevailed and how it influenced the translation itself as the result of translator's activity. The opposition "word-for-word translation" and "sense-for-sense translation" is viewed historically.
