

THE PECULIARITIES OF ANTROPONYM FUNCTIONING IN NEWSPAPERS OF DIFFERENT GENRES (based on the examples form german press)

L.A. Artemova

This article provides the analysis of anthroponyms (proper names) in German newspapers. The special attention is given to functioning of anthroponyms in the texts of different media genres. Some structural modifications of anthroponomical models identifying not only the reader but also the author of the newspaper article are revealed.
