

**THE WORK OF DISTRICT BODIES OF LOCAL
SELF-MANAGEMENT IN OSTROGOJSK
DISTRICT ON DEVELOPMENT OF LOCAL
NATIONAL EDUCATION (1864-1890)**

Ur.N. Monogarov

The work is devoted, as a matter of fact, to the main direction of activity of district local bodies of self management of Ostrogojsk - self-sacrificing work of its delegates on the qualitative and quantitative development of national education, the improvement of conditions of both studying and work. The selfless and purposeful work of local bodies of self-management on this question is still urgent. Today it sets an example of a productive forward method of reforming of a system of initial education.
